mm

64

And all the light will be

70

waves, the sea And all the waves, the sea, the sea,

77

all the light will be

84

And all the dust will drift a-  
And all the stars with-out a

90

way name And all the nights and all the days  
And all the skies that look the same And all the

96

heavens go their way And on-ly change is here to  
clouds that fade, and then Then all of this be-gins a-
